May 2016

Dear Families,

Commencement 2016 celebrated the many outstanding individuals who earned Emory degrees this year. Taking cap and gown photos at the Emory entrance was a joyous sight! We hope the next few months provide our students and recent alumni with a chance to reflect and recharge. Over the summer is a good time for continuing students to review their transcripts, assess where they are with their major classes and electives, and chart their course for the remaining semesters. Congratulations to the families of recent Emory alums! To our returning families, enjoy the break and we will be back in touch at the beginning of next semester.

Families and parents continue to be important partners for us. If you have any questions, suggestions, or inquiries, please email family@emory.edu to contact us.

Hail the Gold & Blue!
