Dear Emory Families:

Recently my colleagues in Emory College of Arts and Sciences and I met with Emory faculty and staff members who have students enrolled at Emory. They offered unique insights and provided many helpful suggestions. One suggestion we are incorporating into the newsletter is a section titled “Academic Notes.” This section will note deadlines and articles that may assist you as you help your student navigate her/his academic path. We appreciate you and the roles you play in the overall success of our students.

During this holiday season we wish you peace, love, and hope for a promising 2019.

Please know if you have any questions, suggestions, or inquiries, you can...
Email: family@emory.edu for assistance.

Hail the Gold & Blue!
