March 2018

Dear Emory Families,

“Everyone can be great because everyone can serve” is one of my favorite quotes by Dr. Martin Luther King, Jr. Serving our communities is a source of pride at Emory University. Whether sorting food at the community food bank, planting trees, tutoring children, or raising funds for our favorite charities, our community members know the importance of giving back. On campus, our student organizations, alumni association, fraternities and sororities, as well as our Volunteer Emory and Alternative Fall and Spring Break programs, engage in a multitude of service opportunities for our students. In addition, summer is a time students can take advantage of serving in their communities. While giving of our time, talents, and treasures may benefit our communities, it is also the best gift we can give ourselves.

Please remember, if you have any questions, suggestions, or inquiries, please email: family@emory.edu. I am happy to help.
Hail the Gold & Blue!
