Dear Emory Families:

The end of the academic year reminds us of the fantastic accomplishments of our students. Emory athletes continue to bring home team and individual awards. Students in various clubs and activities including fraternity and sorority members have been honored by their local and national organizations for excellence in scholarship, leadership, and service. We have much to be proud of at Emory! Our families are also a source of pride. Family members have supported and encouraged their students to challenge themselves and succeed. As we approach another commencement at Emory, we salute our graduates as well as the families who stand tall with them!
Hail the Gold & Blue!

Assistant Vice President of Campus Life
