Dear Emory Families:

College food is often a source of much discussion. Is it nutritious? Balanced? Kosher? Gluten-free? Needs of students have changed and Emory Dining works to meet those needs. Although is it difficult to satisfy everyone, Emory Dining publishes the menu for the DUCling each week. Families can access this information here. Recently my daughter who attends another college complained to me that her dining hall ran out of brownie waffles. My response was, "Your school serves brownie waffles?!!" College food has certainly come a long way since the days of mystery meat and rubbery jello.

We welcome hearing from you, too. If you have any questions,
suggestions, or inquiries, please email family@emory.edu for assistance.

Hail the Gold & Blue!
