September 2018

Dear Emory Families:

Transitions happen for each family member when a loved one goes to college. However, with so many means of communication, we will strive to keep you informed and engaged. Through our monthly newsletters, Parent and Family website, and Family Programs Facebook page, we will provide news and information that will help you learn about resources that can assist your students. In addition to these, many Emory family members choose to join a Facebook group exclusive to Emory parents, moderated by fellow Emory parents, and independent of the university.

We welcome hearing from you, too. If you have any questions, suggestions, or inquiries, please email family@emory.edu for assistance.
Hail the Gold & Blue!

Bridget Guernsey Riordan, Ph.D.
Assistant Vice President of Campus Life
