Dear Emory Families,

Welcome to the 2017-18 edition of the monthly Family Newsletter! Through a recent parent survey, we learned your preferred newsletter topics are: the Career Center, ways for your students to get involved, and on-campus events and activities. Please use the information in this newsletter as a subtle way to lovingly hint to your student about the multiple resources and activities available at Emory. We want your students to make Emory their campus home and to be engaged and connected within the university community.

Swoop, our Eagle mascot, promotes Emory spirit and pride. Part of that pride is having a passion for what is important to each individual. Whether it is dance, religion, politics, sports, or the multitude of other possibilities, the success of our Emory students is our main priority. We look forward to involving them in the life of the university and watching them as they grow and develop.
Family Weekend is October 20-22, 2017! We hope you can join us as we collaborate with Emory Homecoming to offer a fun-filled schedule of events and programs. Our Saturday afternoon concert features the Plain White T's. Their popular hit “Hey There Delilah” will certainly be on the playlist. Along with lectures from favorite Emory faculty and programs detailing Emory resources, we hope to have something for everyone. Look for a link in the coming weeks so you can register and we will know who will attend. There is no cost for registration.

Emory Campus Life will host the annual Jimmy Carter Town Hall Meeting on Wednesday, September 13. All first-year students and other interested university community members unite to hear former President Carter comment on current events. Often his remarks make the national news as he promises to answer any question asked of him.

SPORTS AND HEALTH PROMOTION
Fall sports have sprung into action. With Emory’s tradition of multiple University Athletic Association (UAA) championships, you will want to stay caught up on your favorite athletic teams at: http://www.emoryathletics.com/landing/index.

The Office of Health Promotion offers resources for students to learn about and practice healthy behaviors. To read more: http://studenthealth.emory.edu/hp/get_involved/request_materials.html.
