January 2019

Happy New Year, Emory Families:

Communication comes in many forms. My resolution is to try new forms of communication for our families in 2019. In order to inform and engage, we will begin monthly Facebook Live discussions. Our first discussion was last week on sorority life. Our second will be this Tuesday, January 15 on fraternity life. Topics this spring will include career advising and the housing selection process. Please “like” our Facebook page and check it for information on upcoming Facebook Live discussions. We will also include info on our webpage and in our monthly family newsletter.

Please know if you have any questions, suggestions, or inquiries, you can email: family@emory.edu for assistance.

Hail the Gold & Blue!

Students can take advantage of “try before you buy” fitness classes at the PE Center and the SAAC.

Flu shots are offered through Emory Student Health Services. Encourage your students to take this preventive action.

The Office of Health Promotion offers resources for students to learn about and practice healthy behaviors. Stress can have a negative impact on our health. Also, check out Student Health 101 magazine - another valuable resource for managing a healthy lifestyle.
